

Team 1

Sprint 1

Answer the first three questions before moving on to your action items. There should be at least one item per the first three questions with a minimum of four items total, so at least one question will have more than one answer. In addition to an answer, list which team member contributed that answer. Once complete, move on to your action items, which you should write as a team. Come up with at least two action items.

What went well?

Meeting went by really well. The team was able to discuss our next steps and all of us got to work right away.

What could have gone better?

Things went very good as is.

What did we learn?

Learned more about the sprint process as a whole and how to manage our own meeting times effectively.

What are our action items?

Workin gon the development and implementation of our database, the tables, etc.
